VISION

- To impart quality education and research in pharmacy and to impart pharmaceutical health care to individuals and societies.
- To provide Pre-eminent educational experiences that are stimulating & responsive to the needs of the present century.
- To prepare the students for leadership in their profession & society.
- To address critical needs of the Pharma Industry & foster economic development.

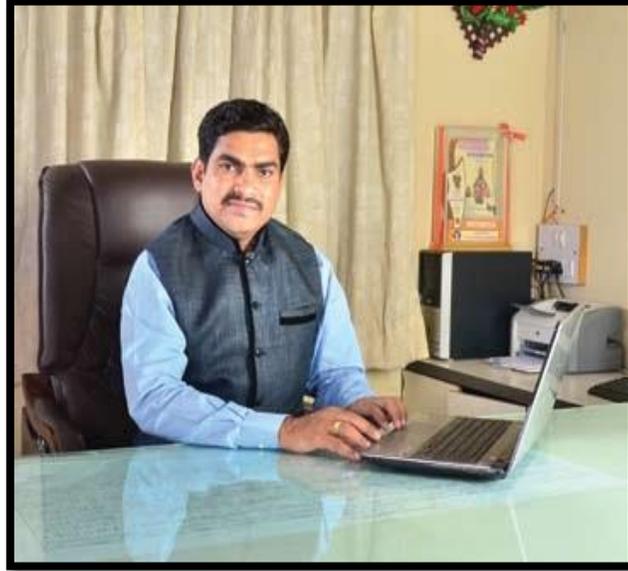

MISSION

- Instilling in aspiring pharmacists the eternal virtues of caliber, competence, confidence, and conscience
- Instill excellence in all elements of pharmacy education, allowing for the provision of superior healthcare services.
- Impart Technical education to create able & competent Pharmacists.
- Nurture students for Entrepreneurship Development.
- Cultivate all round personality development of students.
- Provide training & placements for students in prominent corporates.

OBJECTIVES

- To provide a solid understanding of pharmaceutical science scientific principles and procedures
- To foster enthusiasm for scientific exploration.
- To offer extensive knowledge and experience
- To expose students to cutting-edge methodologies and technology
- To teach pharmacy ethics to students; to provide manpower for the internationally expanding pharmaceutical sector; and to apply drug laws in order to comply with regulatory standards.

PROF. RAMDAS. M. ZOL
HON. FOUNDER, PRESIDENT

It gives me immense Pleasure to have communicated with you through this short message.

Dattakala Shikshan Sanstha was established in 2009. You are aware of the spectacular progress of Dattakala Shikshan Sanstha. In a short period DKSS is clearly emerging as one of the leading Educational Institutes in rural area. This has become possible due to some of the unique features of this institution which include a serene nature & green environment, strong labs, library, workshop, well-furnished girls' & boys' hostels, etc.

Dattakala Shikshan Sanstha is situated on a picturesque hill top with a panoramic view of the Sahyadri Ranges. The students have a pollution free environment where they can breathe fresh air & play on spacious play fields. The entire enchanting atmosphere is conducive to the overall development of the student. As an Educational Institute DKSS aims to develop three dimensional personality in our students 1) Pursuit of Knowledge 2) Commitment to Professionalism 3) Inculcation of Values.

To achieve this Dattakala Shikshan Sanstha will ensure the highest quality of faculty who are not only highly qualified and trained but also work with a missionary zeal of shaping the student's personality. Dattakala is providing K.G. to P.G. in Pharmacy, Engineering, Management, School and Jr. College education.

With a lots of Best Wishes...

Hon. Prof. Ramdas. M. Zol
Founder & President

MR. RANDADA SURYAWANSHI SIR
HON. VICE-PRESIDENT
DKSS

I am delighted to introduce Dattakala Shikshan Sanstha, which has a reputation for foresight in the pursuit of academic excellence. Dattakala Shikshan Sanstha began their educational activities in 2009, and today, the DKSS has a large number of bright young minds studying in various fields such as engineering, pharmacy, management, arts, science, commerce, elementary and secondary education, and so on. DKSS will strive to be a national and international center of excellence in pharmacy education, research, and pharmacy practice services.

In pursuit of its objective, the DKSS will deliver an exceptional educational experience in Pharmacy and Practice within a supportive environment of scholarship, research, and integrity. The DKSS provides a solid basis for a fulfilling and successful career in the pharmaceutical industry on a national and worldwide scale.

We aspire to exemplify the following core values. We at DKSS, motivated by honesty, work hard to shape young professionals who are competent in knowledge and skills and are infused with values so that they can be better persons and best professionals in the future.

With lots of Best Wishes...

Hon. Mr. Ranadada Suryawanshi Sir
Vice-President

PROF. MAYA. R. ZOL
HON. SECRETARY

Welcome to Dattakala Shikshan Sanstha, a multi-faculty premier Institution with highly qualified academicians imparting education in different professional fields. Through an eventful few Years.

Dattakala Shikshan Sanstha has pursued the quest for expanding the horizons of learning. Today Dattakala Group of Institutions is well-recognized as a center of excellence that nurtures intellectual & academic striving, energetic extra and co-curricular activities & social engagement.

Ever since its inception, the primary motto of the Institute has been to deliver an industry-oriented curriculum. In order to capture the changing demands of the industry. These institutes are maintaining regular interaction with the industries & strive to provide suitable value additions to the curriculum, to equip all students with the latest managerial skills. Designed on intellectual rigor & unique culture of collaborative learning, the professional programs at Dattakala Shikshan Sanstha prepare the students for the challenges of the new economy. Thus our students have the unique opportunity to engage their minds with our distinguished & dedicated faculty to develop their analytical skills suitable for professional life.

The parents can repose full faith in the sincerity of purpose & devotion of the faculty for the sub-lime guidance bestowed on their words.

Finally, I would like to assure you that Dattakala Institute is a continuous possibility and unique & empowering space for the students to develop themselves.

With lots of Best Wishes...

Hon. Mrs. Maya R. Zol
Secretary

**PROF. Dr. VISHAL BABAR,
CHIEF ADMINISTRATIVE OFFICER**

I am pleased to welcome you to the Institute of Pharmaceutical Science Research (For Girls), Swami-Chincholi, Daund, a Dattakala Shikshan Sanstha initiative founded in 2018 with the purpose to provide superior education through innovation and active pedagogical methodologies. Since its foundation, the institute has been dedicated to providing quality healthcare services. The vision and mission of the institute are represented in its faculty, staff, students, and alumni.

Students encounter significant obstacles and competitiveness in the professional field in today's fast-paced and modernizing society. Through great academics, athletics, co-curricular and extra-curricular activities, we have always endeavored to develop and mould the raw abilities of our students to a fine level. Imbibing the human component in today's cutthroat competitive environment has become a requirement, which can be accomplished through education. The college magazine is a medium for students to uncover their hidden abilities.

Pharmacy is a health-related discipline, and students are endowed with information and communication skills that allow them to serve the society to the best of their abilities. Pharmacy comprises and serves various sectors of society, including Community Pharmacy, Clinical Pharmacy, Regulatory Pharmacy & Pharmaceutical industries. A college magazine is an excellent forum for instilling all of the aforementioned attributes in a student. It is a means of summarizing the activities and events that take place at the college, as well as congratulating students who have received awards in various subjects.

'Insight' has created a platform for reaching out to the masses and showcasing the perspectives and abilities of staff and students. I'd want to thank the editorial board, the employees, and the students who worked tirelessly to provide "Insight: 2022" to the public.

With Best Regards...

Dr. Vishal Babar
CAO

Ms. Diksha B. Shinde
Assistant Professor
(Coordinator)

Ms. Ayesha Shaikh
Lecturer
(Co- Coordinator)

The Editor's position is critical for the publishing of the College Magazine. It is quite encouraging for the staff and students of the Institute of Pharmaceutical Science Research (For Girls), Swami chincholi, to embark on a more dignified and appreciative publishing of the College Magazine " Expression." As an Editor, I did my best to incorporate valuable articles, poems, jocks from the staff, and students from various classes by including some weighty writing while keeping the current globalization pattern in mind. I am grateful to the From The DESK OF THE EDITOR governing body, principal, and staff members for assisting me in completing this valuable magazine on schedule. I am grateful to the From The DESK OF THE EDITOR governing body, principal, and staff members for assisting me in completing this valuable magazine on schedule. I am also grateful to the Student's Community as a whole for submitting the article, poetry, and jokes on time. Some of the articles had to be removed since they were inappropriate for the Magazine's quality. Some of the pieces had to be assessed by the editorial board in terms of quality. I am hopeful that in the future, we will be able to create such a magazine that reflects the Creative Quality of the Students Community as a whole. It is our earnest request to all readers to read, appreciate, and provide feedback to the Editorial Board so that any errors in the magazine can be eliminated and the board can improve the magazine's quality in the future.

TRAINING & PLACEMENTS

The training and placement cell is a fundamental aspect for a student while getting enrolled in any college. What makes this department so important and what objectives it holds considering the students' careers? From the student perspective, high-quality placements can bring a range of benefits, positive impacts, and lots of opportunities. Start-ups and organizations, nowadays, want to hire students with highly spontaneous skills during the recruitment process to make sure that professionals they have are highly qualified with the unconventional approach to critical problem-solving. The placement cell in such a situation identifies these skills by interacting with a human resource manager of a particular industry and prepares every student to make them industry-ready.

Placement processes play a foremost role in shaping up the career objectives of students. It is the dream of every undergraduate student to get placed in a top organization visiting their campus for recruitment. Keeping this key aspect into consideration, it is observed that training is important for undergraduate students to develop their employability skills and achieve good placement in several industries and MNCs around the world. Keeping in mind, the present scenario of competition for employment in industries is increasing day by day and hence, placement has become a challenging mission. Training of students and arming them with life and communication skills has become a significant concern for the institution. Along with technical proficiency, and overall personality development is also crucial.

Objectives of Training and Placement Cell

Placements give students the opportunity for improvement of skills explicit to their subject or industry of choice as well as the employability skills required for real work. It also expands their knowledge of an industry or sector, which countenances them to make better well-versed decisions about future career choices.

The primary goals that institute holds for its students is:

- To guarantee promising and suitable employment opportunities for all students.
- To recognize the capabilities and hidden talents of the students.
- To guide the students to meet the expectations of the industry through some career development programs.
- To arrange Industrial visits for various departments.
- To conduct technical seminars from industry experts
- To build self-reliance in students and develop the right attitude in them and
- To augment their communication skills.

गळ्यात सजली काळ्या मोत्याची माळ
कुंकू लावून सजलं माझं भाळ
पायात पैजणाचे घातले गेले चाळ
शेजारच्या बोटात ओवली जोडव्यांची ताळ
या शृंगाराने केली माझ्या स्वप्नांची राळ
एवढं सगळं असूनही,
वाटत होता फार भयंकर काळ
आई-बाबांपासून तुटली माझी नाळ
म्हणणं त्यांचं,
गप्प राहून सासरचे सगळे नियम पाळ
अन् दिल्या घरी सुखी रहा माझं बाळ
- तापकीर श्रध्दा अरुण

बाप

जबाबदारीचा मुखवटा घातलेल्या बापाचं कधी कौतुक केलय का?

कष्टाने राबलेल्या हातांच कधी निरीक्षण केलय का?

मुलांना सुखात ठेवता ठेवता त्याच उभ आयुष्य निघून जात..
मुलांना माझ्या शिकून खुप मोठ करायचंय एवढंच त्याच्या ध्यानात राहत

उठल्यापासून झोपेपर्यंत त्याची नेहमीच असते घाई
तू पोटभर जेव अस म्हणत स्वतः मात्र उपाशी पोटीच झोपी जाई

बाप नावाच्या या व्यक्तीला हाक तरी कशी मारावी
नेहमी त्याच्या मनात विचार हाच आत्तपर्यंत जपलेल्या फोडाला पिन ✦ तरी
कशी टोचवावी

बाप नावाच्या वास्तवात खुप अस्तित्व लपलेलं असत
मुलांच्या सुखासाठी त्यानं स्वतःच सुख बाजूला ठेवलेलं असत

बापाच्या प्रेमामध्ये कधीच दडलेला नसतो स्वार्थ

खरचं,

बापाविना सगळ जीवनच व्यर्थ

बाप संस्कार रुजवतो, बाप संघर्ष करायला शिकवतो..

बाप उंच उडायला शिकवतो,

खरचं

बाप हा बापाचं असतो

जबादारीच्या ओझ्याखाली दडलेला तो बाप कधी मोकळा हसेल का?
मुलांच मुठभर कौतुक करत क्षणभर मिठी मारेल का?

- लेखक सुषमा काळे
एस. वाय बी फार्मसी

मुलगी

आत्ताच्या परिस्थितीत,, छोट्या तिच्या पाऊलाचा जेव्हा घराला होतो
स्पर्श तिच्या आगमनाने प्रत्येकालाच होतो हर्ष....
घरात लक्ष्मी आली म्हणून आनंदी आनंद असतो बाबा, काका,
काकू, मावशी, मामा मिठाई वाटतं फिरतो....
इवलुशी ती चिमकुली मोठी व्हायला लागते
घरातल्या प्रत्येकाला ती मनापासून जपायला शिकते...
मोठी झाली तरी सगळ्या घराची लाडकी असते
बाबांवर मात्र थोडं जास्त प्रेम करते....
खूप खूप शिकवून उच्च पद कमावते
मुलगी प्रत्येकवेळी आपल्या माणसांची मान उंचावते...
काही दिवसात तिची लग्नसराई सुरु होते
तिची हौस मौज करायला प्रत्येकजण पुढे सरसावतो...
सगळं तिच्या मनासारखं होत
ती सुखात असावी एवढंच सगळ्यांना वाटतं...
तिची पाठवणी करताना प्रत्येकजण रडायला लागत
बाबा काकाच मनं पण त्या क्षणी हळवं होत...

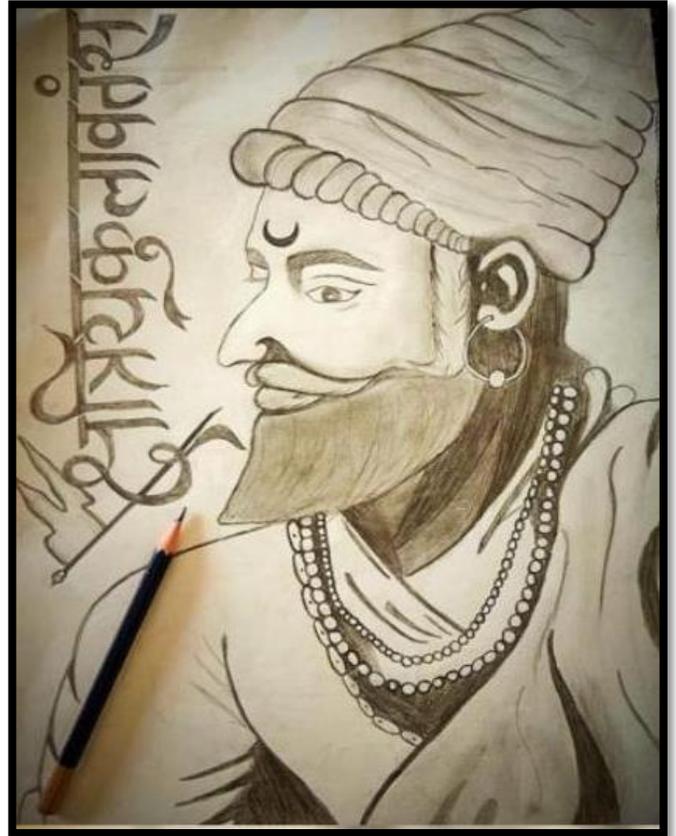

लाडाची पोरं दूर जाणार म्हणून सगळ्यांना वाईट वाटतं
चेहऱ्यावर हसू आणि डोळ्यात अश्रू ठेवून तिला सासरी पाठवलं
जात...

तिथे हळू हळू ती रुळायला लागते
तिथही इथल्यासारखं प्रत्येकाला जीव लावायला शिकते....
